

RACKING GUARDS

Prevent devastating accidents with smart, strong prevention.

ULTIMATE RACKING PROTECTION. WHEN THERE'S NO MARGIN FOR ERROR.

The consequences of a forklift-rack impact can be severe. Prevent racking collapse, potential injury and inventory loss with a structural steel solution that offers all around protection.

Ideal Warehouse Innovations' Racking Guards prevent reversing impact AND accidental fork contact with uprights or angle members of racking at the most critical load-supporting levels.

- Available for Standard and Heavy-Duty environments
- Protects uprights AND angle racking members
- Bright visual presence reduces chance of accident
- Simple installation

MEDIUM DUTY RACKING GUARDS ARE AVAILABLE IN 8" (203 MM) AND 16" (406 MM) HEIGHTS.

HEAVY DUTY RACKING GUARDS AVAILABLE IN STANDARD AND SLIM WIDTHS TO SUIT A VARIETY OF RACK STYLES.
