WARNING AND PROTECTIVE BUMPER GUARDS

TECHNICAL DATA

Profile Body: Polyurethane foam.

Surface: Polyurethane foam colored by reverse printing and foamed in place so no paint appears on the outside.

Adhesive: All models except Magnetic and Wall Protection Kits are installed using light and ageing resistant, modified acrylic glue.

Adhesion: 21N/inch [25mm]

Temperature Range: -40°F to +212°F [-40°C to 100°C]

Fire Classification: DIN EN 13501-1 / Class E.

Colors:

Lengths: Most Black/Yellow adhesive-fastened models are available in 3' 3-1/4" [1m], 16' 4-3/4" [5m] and up to 164' 0" [50m] lengths. Other colors and installation styles may not be available in all sizes. Please consult Ideal Warehouse Innovations Inc. for more details.

5-year warranty for elasticity and color-fastness. Knuffi® must be fastened according to the installation recommendations. Exclusions include adhesive power and UV resistance.

Corner, pipe and edge guards are also available.
